

.5" dia. thru holes for  
monitor arms mounting  
2" high rubber bumpers  
cabinet mounted ventilation fan  
rack mounted shelf inside

DeVry University  
1,100 lecterns required at more than  
90 North American campuses

**Product:**  
Dewey Lectern by  
**fixturesfurniture®**

**Need:**  
New Standard Lectern for the 'Class Room of the Future'. Unit had to incorporate customer's existing A/V Equipment: Monitors, Projectors, A/V Rack Mount units. Customer required keyboard storage and a ventilation fan atop the storage.

**Solution:**  
The standard Dewey lectern was proposed with a modified, larger top (36w x 30d), spacers between the top and the storage, a ventilation fan and rack mounted shelf.
