**I Like SurfaceWorks on Facebook.
Please Double My Spiff!**

Spiff Specifications

Spiff applies to standard discount orders only. Within four weeks of payment of your order, you will receive a spiff in the form of a company check based upon net sales. A statement will accompany the company check. SurfaceWorks reserves the right to change, amend or suspend spiff program at any time. Spiff payment for all returned and/or credited items will be deducted on future spiff payments. Payment is based upon net shipped sales. Invoices paid more than 60 days after invoice date will forfeit spiff. Spiffs on qualifying orders in which the spiff totals less than \$25 will be recorded and held until subsequent spiffs raise the total to be paid by SurfaceWorks over \$25.

****Facebook Bonus***

To qualify for 2% spiff on all GSA standard discounted orders and 4% spiff on all standard discounted orders, individuals must "Like" the SurfaceWorks page on Facebook.com AND have commented on either a SurfaceWorks photo or on the SurfaceWorks page Wall. Individual must be listed as a fan of the SurfaceWorks page at the time of order entry and spiff payment to qualify. Facebook "Like" must come from an individual's account. Likes from business pages do not qualify.

All qualifying orders through 4/30/12 must clearly state "Spiff" for standard spiffs, or "Facebook Spiff" for Facebook bonus orders, and include the name of the spiff participant on the purchase order at the time it is placed. (Spiff is not retroactive to previously placed orders.)

A 1099-misc will be issued to you in January for the total amount paid the previous year.
